

*Remarks*Drawings

Applicant submits formal drawings herewith to replace the informal drawings that were submitted on 1/30/2004.

Claim Rejections

The PTO rejected claims 1-2 and 4-8 as allegedly being unpatentable under 35 USC 103(a) in view of US patent 6,477,588 ("Yerazunis") and US patent 6,525,926 ("Chen"), but indicated that claim 3 would be allowable if rewritten in independent form.

This paper amends claim 1 so that it now includes the limitations of claim 3. Claim 3 has been canceled. All remaining claims depend from claim 1. Therefore, all claims are now in condition for allowance.

Conclusion

For at least the above reasons, Applicant respectfully asserts that all pending claims are now in condition for allowance and earnestly solicits a Notice to that effect.

Respectfully submitted,
